Your mail is sent every week. **Cost:** \$350.00 Yearly + postage

On the bi-monthly and weekly plans you must keep a prepaid postage account. The minimum first time deposit must be \$100. When the account reaches \$25 we notify you.

- 3. PER PIECE:** \$5 per piece plus postage in excess of one first class stamp.

How do you want your mail sent? Please check the applicable box:

- Option 1:** *U.S. First Class Mail* – please note that when sending mail via the USPS there is no tracking number. If your mail is lost by the USPS, we assume no responsibility.
- Option 2:** *FedEx Express Saver* – with this option you will have a tracking number for your mail. When we ship with FedEx an email is sent to you letting you know the parcel is en-route and allows you to track its whereabouts.
- Option 3:** *US Express Mail*. We use this for folks who **ONLY** have a P.O. Box **and** need a tracking number. There will be an \$85 yearly charge in addition to the plan and postage plan.
- Overseas:** To Puerto Rico, the U.S.V.I., and Canada we use USPS First Class Airmail, unless you specify FedEx. For all other countries, we use International FedEx.
